Dear Citizen Review Panel Chairs:

The attached document is presented in response to the 2006 New York State Citizen Review Panel's Annual Report, as required under New York State Social Services Law section 371-B (5) and the 2003 amendments to the federal Child Abuse Prevention and Treatment Act (CAPTA).

The Office of Children and Family Services is most appreciative of the work of the New York City Citizen Review Panel. The interests of our most vulnerable populations, the safety of our children and the strength of our families are well served by our collaboration of skills and perspectives. I look forward to continuing our work together to promote the safety and well-being of children and families in New York State.

Sincerely,

Gladys Carrion, Esq.
